Sonja,

Defendant didn't show up and a default was entered. He must have known you were coming to put him away....

Thanks.

Joe

Dan-

If you need me, please call as soon as you know that the [REDACTED] case is actually going to trial. The ADA in Springfield finally got back to me and said that he definitely wouldn't need me before lunch as they are still waiting on a motion to suppress, but if the motion is denied, the defense does intend on going to trial. You can reach me at the lab or on my cell. Thanks.

Sonja,

I spoke with the defense attorney on [REDACTED], he will not stipulate to the drugs and as of now it is still going to be a trial. I will let you know if anything changes.

Fall River pled, but I also have a district case in Springfield. That one is pretty recent (analyzed in September), so I doubt it will go, but I've emailed the ADA to get a better feel for it.

Hi Sonja,

Dan Hespeler is handling [REDACTED] on Friday. I have cc'd him on this email. But I don't like Fall River trying to take you away, its bad enough we drag you out to the Berkshires....

Hi Joe-

I'm curious about the likelihood of the [REDACTED] case actually going to trial on 1/11/13? I ask as an ADA from Fall River Superior Court emailed me saying that "I've been called into trial this week. The cert number is [REDACTED] Would you be available? I'm behind another case and so I can't say for certain when I will need you." and I'm trying to let him know what my schedule is. Thanks.
